

President's Message

"It is time to welcome spring and the renewal this time of year brings!!

As we enter April, the Insurance Professionals of Salt Lake City are looking to honor the leaders within our organization and the within the insurance community as a whole. We are currently taking votes for our annual awards to be presented at our May Breakfast to honor all of the hard work our members have performed over the past year in their individual professions. If you have not voted please take a moment to review the awards on the second page of this newsletter to cast your vote.

In addition to IPSLC recognizing our members a well known and respected employer recognized one of our members. Last month Timothy Rodriguez received a well deserved award as "Leader of the Year" for the Utah Department of Transportation. IPSLC is privileged to have such an inspiring leader as part of our organization to help us renew our commitment as a learning organization. Please join me in congratulating Tim.

Stephanie Kakes

IPSLC BOARD OF DIRECTORS

President: Stephanie Kakes

**Congratulations to Tim Rodriguez!
UDOT 2010 Administration Leader of the Year**

Doesn't it feel good to be recognized?

Please help us recognize IPSLC members at this year's May Breakfast. We have the opportunity to nominate our fellow members for their hard work and dedication within the industry.

Please email all award nominations to timrodriguez@utah.gov

Rookie of the Year

The purpose of the award is to recognize the accomplishments of a new member who has made significant contributions to NAIW (International) within the first 24-months of joining the association.

Claims Professional of the Year

The purpose of the award is to recognize a claims professional who has demonstrated superior knowledge of the claims field, experienced professional advancement through educational pursuits, demonstrated leadership in the field, and is an active participant in NAIW (International) activities.

Risk Manager of the Year

Similar to Claims Manager of the year, except aimed toward Risk Managers.

Boss of the Year

This award is for any IPSLC member's Boss who has helped move IPSLC forward through their support of the Organization and its Membership.

Vender of the Year

This award is for any company that has supported IPSLC in the past year.

Insurance Professional of the Year

The purpose of the award is to recognize an individual who in pursuing a career has contributed to the insurance industry through education, creation of industry alliances, and/or legislative activity.

President's Message

Service...this term has a different meaning to all of us. As for me service means giving of myself with joy for the benefit of others. Dictionary.com defines service as "an act of helpful activity; help; aid: *to do someone a service (n.d.).*"

Service is something that Insurance Professionals of Salt Lake City as an organization provides to the insurance industry and community and something that we as individual members do for the organization and one another. As an organization and a community we raised \$1,600 to provide service to the elderly and donated the funds to the Utah Food Bank's elderly food box services on February 22, 2011. The Utah Food Bank offered IPSLC the opportunity to deliver the food to the elderly that our donation will provide. Please contact me if you are interested in serving our elderly.

IPSLC will continue to serve our community with upcoming continuing education credits at our March 15th meeting, earthquake preparedness from Homeland Security at our May 17th breakfast meeting and fund-raising at our September 15th Golf Tournament. Please join me in being of service to IPSLC and our community.

President's Message

Education...according to the Merriam-Webster Dictionary education is "the knowledge and development resulting from an educational process." The goal of Insurance Professionals of Salt Lake City is to do as Merriam-Webster defines, to develop the knowledge of our members and the insurance community at our monthly meetings and other events.

As I shared last month we have an opportunity in February and again in March for continuing education at our monthly meetings. We will forgo the business portion of our meeting for the next two months to meet our educational goals. At our May breakfast we will further attendees knowledge with a dynamic speaker from the Department of Homeland Security who will speak on the Utah Shakeout Exercise on April 20, 2012.

I look forward to seeing everyone at this week's meeting. Tracy Marston of Insurance Company of Cincinnati has a lot of information to share on transferring risk. If you know of anyone who could benefit from this training please invite them to the meeting. All are welcome.

Insurance Professionals of Salt Lake City

Volume 1, Issue 1

January 2011

President's Message

Happy New Year!!

Starting a new year is always exciting and beginning the year 2011 at IPSLC is no different. A lot of changes are taking place in 2011. We have a new look for our newsletter, a new board and a new meeting location. The changes are to support the long-standing goals of IPSLC to educate the insurance community, provide networking opportunities and to grow our membership.

Over the next six months our monthly meetings will be held at Mimi's in Murray. Mimi's has the capacity for 40 attendees which we may just need for our upcoming training opportunities. I am excited to announce that Tracy Marston of Cincinnati Insurance Company will perform training at our February and March meetings to provide continuing education credits. In February she will speak on Risk Transfer and in March she will speak on Title VII: Employment Liability Practice.

Many exciting activities are being planned for the 2011 year. I encourage all members to share the news with their colleagues and insurance industry acquaintances. This is our year to learn more, innovate, and grow our chapter. Please join me in this journey.

Stephanie Kakes

The Insurance Professionals of Salt Lake City is an affiliate of the National Association of Insurance Women (*International*). The purpose of this association, organized in 1950 as a non-profit association, is to serve its members by providing professional education, an environment in which to build business alliances and the opportunity to make connections with professionals of differing career paths and levels of experience in the insurance and risk management industry.
